NOTE: Item numbers are not actual part numbers. Please call our customer service representatives for assistance. For quicker service, have your truck's Body I.D.#, the Serial # from your roll-up door and a description of the part ready when calling. If ordering panels, please obtain the size and location of the panels.

Todco Roll-Up Door

NOTE: The Roll-up door serial number is required to order roll-up door parts. It is located on the inside of the door on the second panel from the top on an aluminum plate.
