LOGO PADDING

Maintain an area of padding equal to half the height of the logo on all four sides that is free of other elements. This helps our logo appear clean and uncluttered. If the Morgan Olson logo is to be used in conjunction with the brand slogan, HOME OF THE WALK-IN STEPVAN or ALWAYS DELIVERING, refer to the Logo / Tagline Pairing section on page 2 of this document for proper usage.

LOGO / TAGLINE PAIRING

The approved brand taglines for Morgan Olson HOME OF THE WALK-IN STEPVAN and ALWAYS DELIVERING. The brand tagline can be used as a stand-alone statement, or it can be paired with the Morgan Olson logo in the following formats.

Version 1 is intended for walk-in step van subject matter, and Version 2 is for subjects not related to walk-in step vans.

Our BOILERPLATE statement

A boilerplate describes a company in its simplest terms.

MORGAN OLSON LLC

Morgan Olson is the leading walk-in step van body manufacturer in North America, producing over 15,000 vehicles annually. Almost everything ordered online is delivered by a Morgan Olson Walk-In Stepvan. Other vital industries served by Morgan Olson include all major parcel package delivery companies, laundry services, baking and snack foods, service & utility vehicles, and the ever-growing mobile cuisine food trucks.

For more information about Morgan Olson walk-in step vans, visit www.morganolson.com or email info@morganolson.com. To see how Morgan Olson Walk-In Step Vans pay for themselves, see the video here <https://vimeo.com/548421951>

Products as shown may include optional equipment that is not part of the standard Morgan Olson body configuration. Some product images may differ from current configurations and may not be available as depicted at the time of your order.

NOTE: All dimensions, weights, and measurements specified herein are subject to Morgan Olson's manufacturing tolerances, may change without notice, and may vary depending on options selected. Please contact a Morgan Olson Sales Representative for available options, complete up-to-date specifications and for measurements for your particular truck body and chassis specifications. © Morgan Olson 2022
