

Head-to-Head Comparison

## Walk-In Step Van vs. Cutaway Box Truck

*A* comprehensive and detailed examination of how and why the Morgan Olson Walk-In Step Van has significant advantages and benefits over cutaway box trucks in versatility and utility, payload capacity, in reassuring safety and superior total cost of ownership.

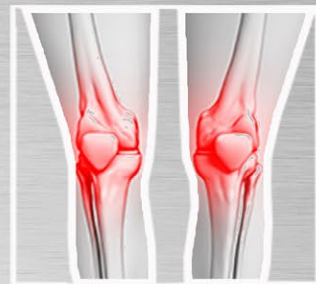

# STEP HEIGHT

Safer delivery truck  
step height

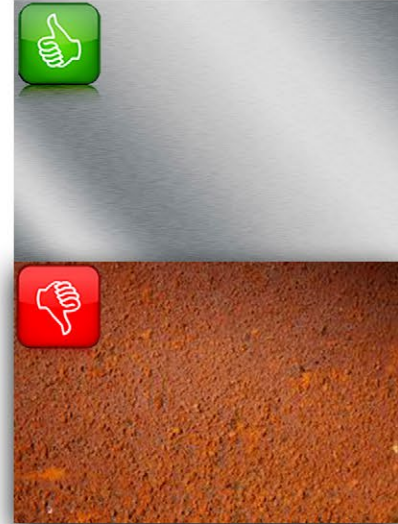

**WORK PLACE INJURIES  
CAN KILL YOUR BOTTOM LINE.**

No ladder steps, house steps  
commercial business steps  
are twenty-one inches high  
for many good reasons.

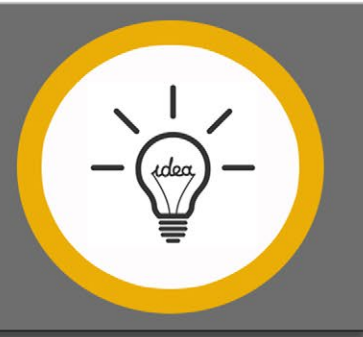

See how our step van pays for itself

**ALL-ALUMINUM  
WALK-IN STEP VAN BODY  
15-20 YEAR LIFE CYCLE**

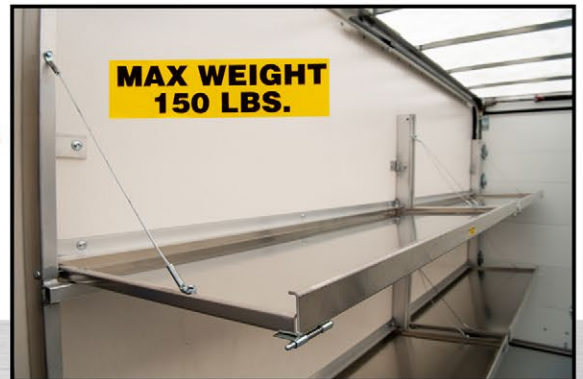

**CAB CHASSIS  
STEEL RUSTS  
5-7 YEAR LIFE CYCLE**

# CARGO AREA >>> CHALLENGE

built with household cables & latches

**DURABLE & DEPENDABLE**
