

How our step van pays for itself

“YOU WOULDN'T GO PLAY IN TRAFFIC”

WHY WORK IN TRAFFIC?

You see our "Route Star" Walk-In step vans everyday, everywhere in North America. Any business that uses a work truck can benefit from a Morgan Olson Walk-In step van.

THE SOLUTION...THE WALK-IN STEP VAN

Drivers directly access the cargo area without the danger of stepping in busy traffic lanes and exit directly to the curbside of the street.

Saving 40-50% delivery time with a safer delivery process can benefit businesses in a variety of vocations:

- Delivery Companies
- Baking & Snack Food
- Textile Rental / Laundry Services
- Public Utilities & Municipalities
- Newspaper Companies
- Contractors & Plumbers
- Schools & Universities
- Ice Cream & Food Trucks
- Police & Fire Departments
- Soft Water Conditioning
- Exterminators
- Parts / Tool Suppliers
- Vending & Coffee Services
- Nurseries & Landscaping
- Catering
- and many more!

INCREASED DRIVER SAFETY, ERGONOMICS & DELIVERY EFFICIENCY with SUPERIOR TOTAL COST OF OWNERSHIP BENEFITS

THE ULTIMATE DELIVERY VEHICLE ★ THE ROUTE STAR WALK-IN VAN

Ease of Serviceability and Maintenance

Many parts & components including hood, bumpers and front end parts are common to all **Route Star** models to reduce parts inventory and simplify repairs. Pre-drilled replacement body panels fit with precision, reducing down time in the event of a major body repair.

We build cargo carts to meet your business needs.

ANOTHER WALK-IN STEP VAN DESIGN SAFETY ADVANTAGE

The lower hood line of the Route Star Walk-In Step Van improves the drivers line of visibility.

A Commitment to Driver Safety

In addition to compliance with more than 20+ FMVSS for driver's visibility, crash testing and others- the Route Star is available with our patented 3-point seatbelt for both driver's and passenger's seats since 1979.

Great for your cargo area too!

Shelving & Cargo Restraint Choices

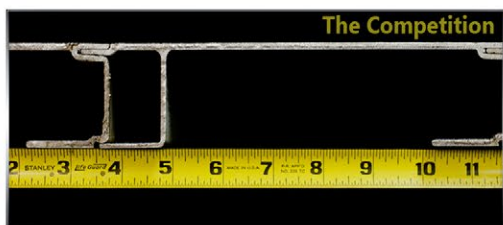

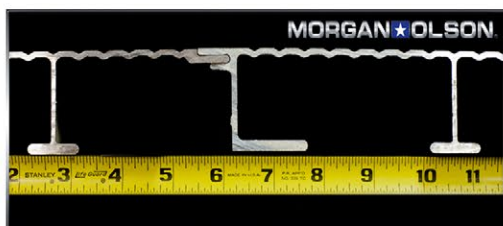

Take advantage of our legacy of 50+ years of proven cargo solutions serving a multitude of industries. See more examples at morganolson.com
