

JB POINDEXTER & Co

LEADING THE WAY

2025 CALENDAR

A message from John

J.B. Poindexter & Co. (JBPCO) was founded on principles of long-term growth, innovation, and operational excellence. What began with acquisitions in the manufacturing and automotive sectors has grown into a multi-billion-dollar business, increasing our annual revenue from \$40 million to \$2.7 billion. Today, we operate 42 plants across North America, proudly employing over 8,500 team members.

JBPCO has become the largest producer of commercial truck bodies and accessories in North America, with a footprint of five million square feet. Our products are integral to the essential mid-mile and last-mile delivery networks that sustain modern commerce. Simply put, without the trucks and vehicles we manufacture, a significant portion of today's supply chain would face disruption, impacting industries and everyday consumers across the board.

Our business units provide an unmatched range of products. Morgan Truck Body leads the industry in light and medium-duty truck bodies, while Morgan Olson remains unrivaled in the walk-in step van market. Reading Truck delivers top-tier service truck bodies, and Masterack provides quality cargo management systems. LEER Group is the industry leader in truck caps, vehicle accessories and customization.

FederalEagle sets the standard in the specialty vehicle market, including funeral coaches and limousines. EFP delivers advanced packaging solutions, while MIC Group delivers high-precision manufacturing for industries with specialized needs. Lastly, EAVX, our innovation arm, drives the future of mobility with next-generation commercial vehicle body and technologies, ensuring JBPCO remains at the forefront of industry transformation.

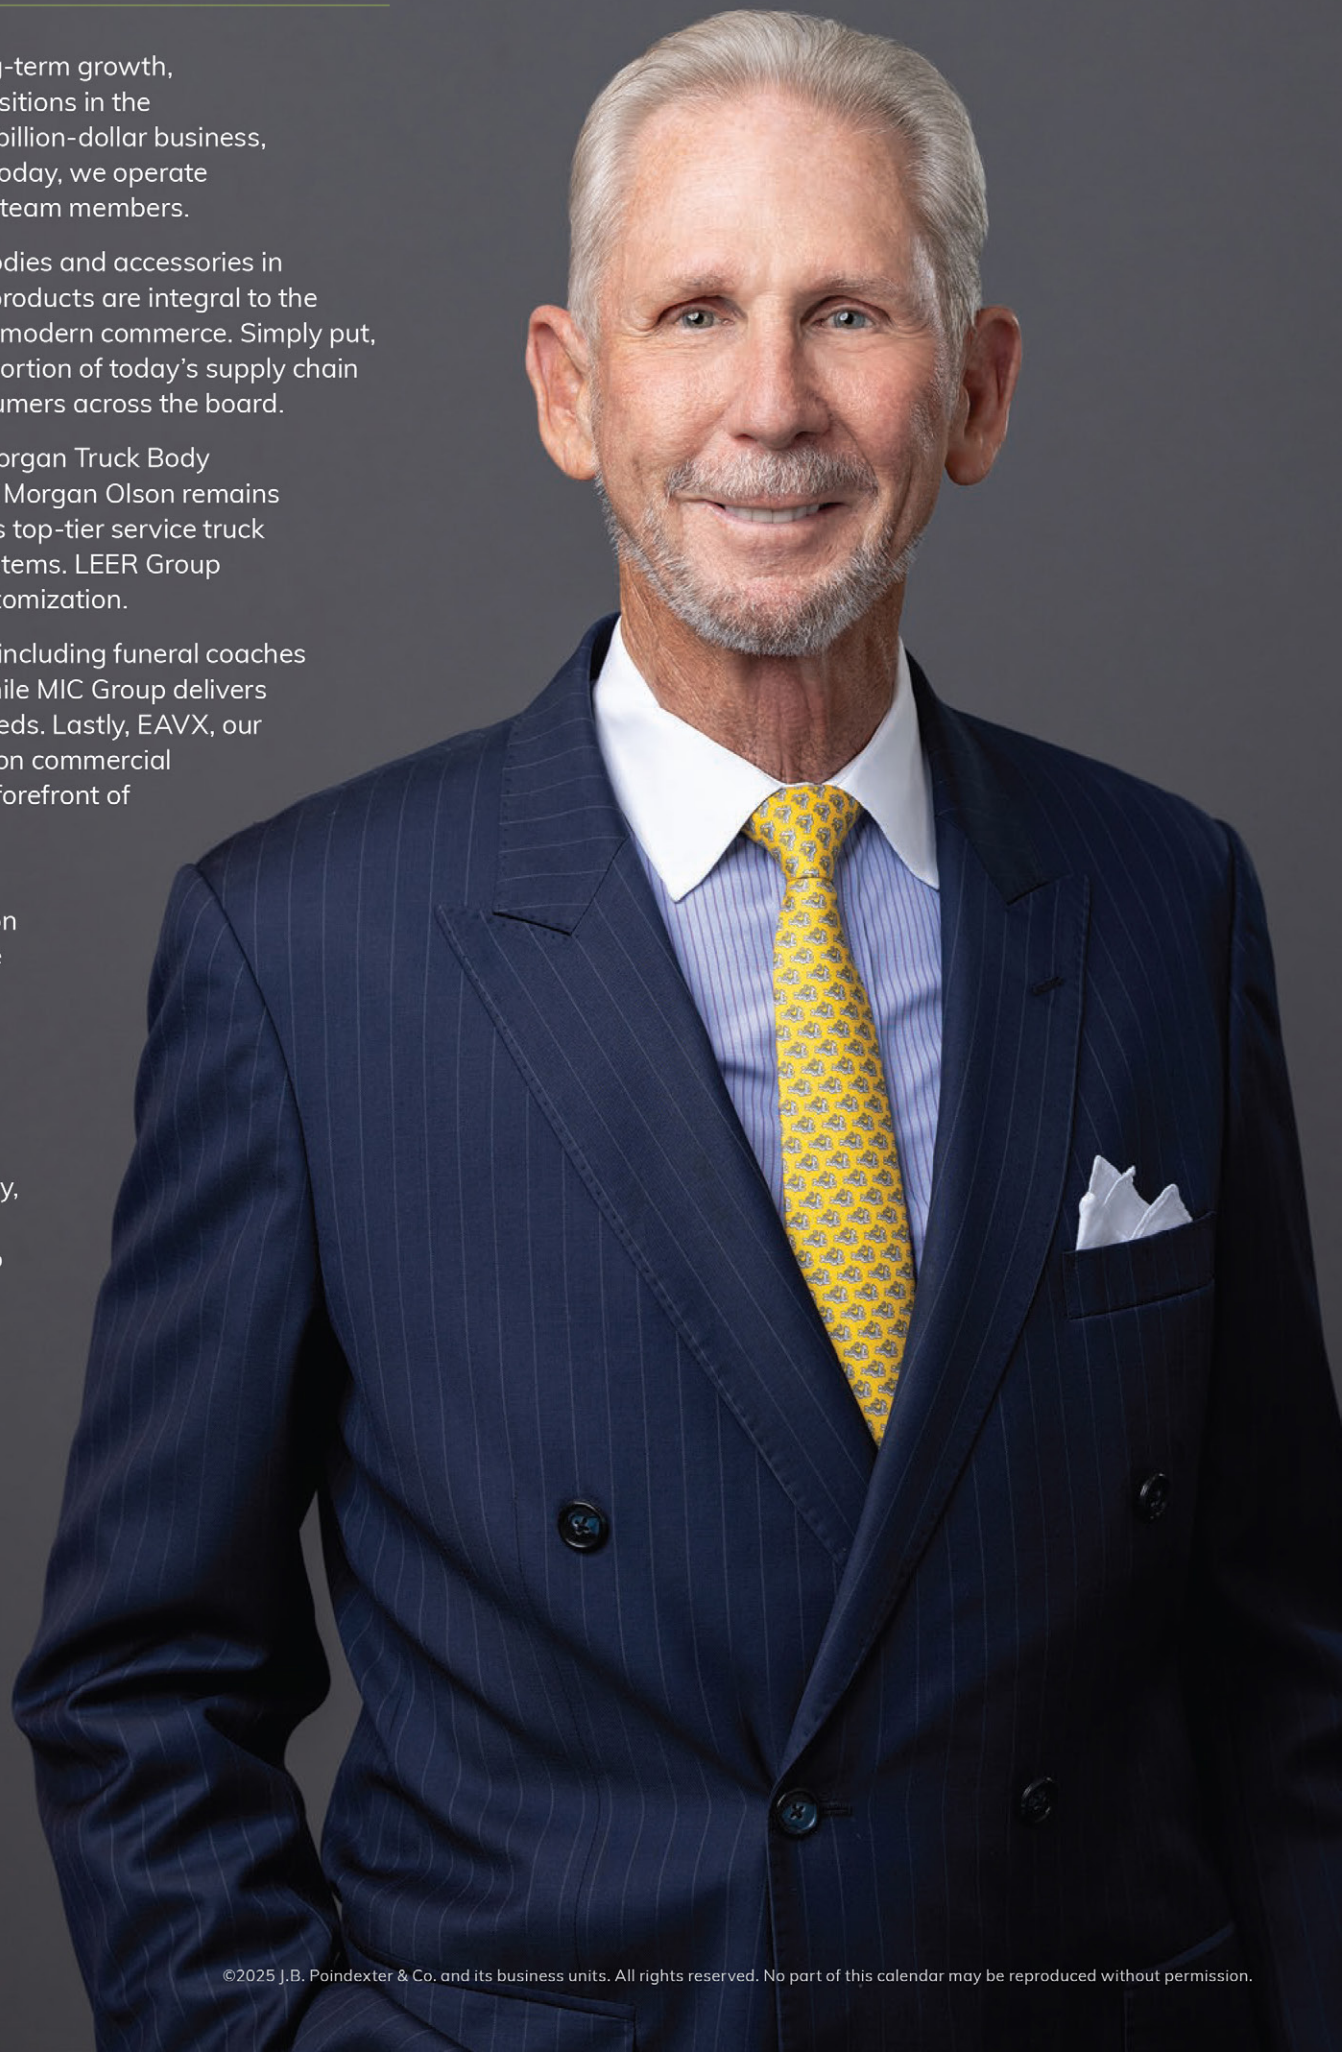

Our success is built not just on our financial accomplishments, but on the trust we've earned from our customers, the dedication of our team members, and the strength of our partnerships. We do not merely acquire businesses; we cultivate their strengths, building for sustainable growth rather than short-term gains. This approach has seen us through four economic recessions, and it will continue to guide our future endeavors.

At JBPCO, we hold a deep responsibility to support the transportation networks that form the backbone of the economy, drive our industry toward a sustainable future, and safeguard the well-being of our people. With a commanding share of 50% in medium duty truck bodies and 65% in the walk-in step van markets, our impact on modern commerce is undeniable.

None of this would be possible without the unwavering commitment of our team, the trust of our customers, and the shared vision of our partners. Together, we have built a platform that leads in innovation, creates lasting value, and makes a positive difference in the industries and communities we serve.

As we look toward the future, I remain confident that, together, we will continue to drive progress, support one another, and leave a legacy that will last for the generations to come.

John B. Poindexter
CEO & Chairman, JB Poindexter & Co.

NEXT GENERATION COMMERCIAL VEHICLES

INNOVATION

EAVX leads innovation in advanced vehicle technology, delivering sustainable, efficient, and profitable solutions for the future of commercial transportation. Through VX, their digital intelligence system, EAVX offers fleet owners and drivers a unified platform to manage productivity, safety, power, and serviceability—both on and off the road. Combining design, engineering, and deep industry expertise, EAVX drives the next generation of mobility and technology.

Always Delivering

Morgan Olson's legacy includes building the first all-aluminum step van in 1946. This legacy continues today, setting the standard for delivery efficiency and driver ergonomics. Their step vans are seen across North America, always delivering quality—on time, every time.

DRIVING INNOVATION TOGETHER

NTEA WorkTruck Week
THE WORK TRUCK ASSOCIATION

#1 Commercial Work Truck Show

For over 25 years, JBPCO has dominated the Work Truck Show, showcasing the largest and most innovative presence with 15,000 sq. ft. of booth space and more bodies on display than any other truck body builder. Visit us at booth 601 to experience our product showcases firsthand, highlighting collaboration across our family of brands—Morgan Truck Body, Morgan Olson, Reading Truck, Leer Group, Masterack, and EAVX—as we continue to lead the industry in delivering top-tier solutions to customers and partners.

Driving Economic & Environmental Fleet Sustainability

Advanced Clean Transportation Expo

2,700+
Leading Fleet Operators

450+
Sponsors, Exhibitors and Industry Partners

225+
Expert Speakers

ACT Expo, the premier event for advanced vehicles and sustainable technologies, gathers top innovators to showcase the latest in clean fuels and transportation. JBPCO was thrilled to participate, demonstrating our commitment to eco-friendly trucking solutions. As we shape the future of transportation, our work reflects 'The Shape of Things to Come,' with a focus on reducing environmental impact.
